Dear CPHC Staff and Volunteers

My mother, Gananoque, died recently.

My family and I thank you sincerely for your help and kindness during her last few years.

Mom particularly enjoyed the hot meals prepared by Moroni's, but the frozen meals were also welcomed, to tide her over holiday days.

I do not know the names of the ladies who delivered her meals so faithfully, but Mom told me frequently that she enjoyed your visits and appreciated your thoughtfulness.

Sincerely
