

Update re: Senior Support Services & Programs March 18-2020

We continue to closely monitor new developments around COVID-19 and working collaboratively with our funder and community partners to ensure that our clients and caregivers are receiving the support and care they require at this critical time. As such, we have suspended additional programs with consideration of exposure to our clients/caregivers and volunteers who are or may be vulnerable.

The following is a list of our programs and services that have been suspended thus far, and the programs/services we continue to run at this time for our clients/caregivers who wish to continuing receiving our support, (i.e. comfortable with having contact in/outside their home with one of our staff, respite caregivers, or brokered Home Helpers) and those for whom these services/supports are required.

Suspended Programs/Services:

- Foot Care
- Diner's Clubs
- Adult Day Program
- Stroke Survivor & Aphasia Support Groups
- Exercise & Fall Prevention Classes

Continued Programs/Services:

- Transportation ...***drives limited to dialysis treatments, medical appointments, & groceries/pharmacy.***
- Meals On Wheels***delivery of frozen & hot meals***
- In-Home Respite
- Home Help & Home Maintenance
- Lifeline ***limited to replacement of units/equipment and/or batteries.***

Despite some changes to our service delivery, please be assured that we are committed to ensuring our clients/caregivers stay well!

Thank you.

Tina Montgomery,
Executive Director
